Overview of the Möglich Group

MÖGLICH
GRUPPE
Aus einer Hand!

- founded as a one-man carpentry in Wetzlar
- we are a small family-run business in the fourth generation
- the group currently employs 54 people
- we are a craft company in the construction industry
- the group consists of several companies, which we would like to introduce to you below:

Our carpentry:

■ Classic business areas

- furniture and custom-made products
- components (windows, doors, stairs)
- floor coverings

■ Commercial interior design

- industry-specific interior design (Banks, pharmacies, etc.)
- turnkey office

■ Möglich Hausbau

- single-family house construction and renovation (individual and sustainable)
- housing construction (WoVita)
- commercial construction (medical centers, administration and production buildings)

■ WoVita

- in-house developed and patented
- Next to energy-efficient retrofitting, this procedure puts aging and an easily accessible habitation into the focus of the renovation

gewobau

wetzlar

- housing association from Wetzlar, the parent company is the Spar- und Bauverein Wetzlar-Weilburg eG
- the main goal is to provide affordable housing for broad sections of society
- housing stock includes 3850 apartments (GEWOBAU and Spar- und Bauverein eG)
- In 2020 both companies invested around 14 million euros in the renovation of their building stock

Thank you for your attention
